

ACCESSIBILITY GUIDE FOR THE SALWEY LODGE

Welcome to The Salwey Lodge.

We are committed to making our historic venue as accessible as possible to all visitors. As a Grade II* listed building, there are some structural limitations due to heritage protections, but we have made significant efforts to accommodate a wide range of needs.

Website: www.thesalweylodge.co.uk

We recommend contacting us in advance if you have any particular accessibility needs, so we can prepare accordingly.

Notes on Heritage Constraints

As a Grade II* listed building, The Salwey Lodge is subject to legal preservation regulations that limit certain structural modifications. We continue to work with conservation bodies to improve access without compromising the building's historic character.
